

Hopewell Valley Education Foundation

Teacher, Staff and School Recognition Program

The HVEF accepts recognition donations year-round. A donation to the Hopewell Valley Education Foundation allows us to continue our mission of enhancing the educational experience in Hopewell Valley schools.

Let the HVEF shorten your shopping list! Donations can be made during the holiday season in lieu of a gift. The end of the school year is the perfect time to recognize a teacher or other school employee who has made a difference in your child's life. If your child is graduating from the high school, or moving on to the next school level, a gift can also be made in recognition of the school he or she is leaving, or the principal or memorable staff member at that school.

The Hopewell Valley Education Foundation is a not-for-profit 501(c)3 organization that supports a variety of programs and activities in all the Hopewell Valley public schools through fund-raising and grant-making, and identifying people whose expertise will benefit the schools. Programs that we fund impact virtually every child in the district, including yours! We invite you to learn more about the Foundation and our recent activities by visiting the Foundation web site at <http://hvef.org>, or emailing us at info@hvef.org. There are many other ways to support the Foundation as well, and we encourage your participation and support.

Teachers and staff members truly appreciate being recognized, and know that your donation be used to enrich student education through a variety of programs. The person or school you honor will be sent an acknowledgement telling them you have made a donation in their name, although they will not be told the amount of the donation. You may remain anonymous if you choose. If a person is recognized, their principal or area supervisor will also be notified of the honor. Your entire donation is tax-deductible. For matching grants, your employer may need the HVEF "EIN number" which is 22-3235943.
